MBA (Banking and Finance)

Vibrant changes are taking place in the Indian financial sector. Global competition, technological innovations, explosion in economic activities and dynamism of the capital market have exposed the financial sector to a variety of challenges. This in turn calls for a professionally qualified workforce who are well informed about the contemporary issues in the field of banking and finance. In this context, a PG Programme viz., MBA (Banking and Finance) is meant for helping the financial sector to get the right type of personnel.

The Programme will act as a gateway for employment into the various segments of the financial sector viz., Commercial Banks, Development Financial Institutions, Cooperative Banks, RRBs, NBFCs. Insurance Companies, Mutual Funds etc, besides the financial divisions of the manufacturing companies including MNCs. Moreover the programme will be of immense help to the youngsters to fulfil their career aspirations in the field teaching and research.
